SPONSORSHIP OPPORTUNITIES

Why sponsor ICSCRM 2022?

ICSCRM 2022 will be held in Davos (Switzerland), from September 11 to 16, 2022 in the **Davos Congress Centre**, in the heart the Swiss mountains.

ICSCRM is a biannual scientific event that explores, presents, and discusses the newest achievements in the field of wide-bandgap semiconductors focusing on silicon carbide (SiC) and other wide bandgap semiconductors. The conference also serves as an international forum for the exchange of ideas on recent scientific and technical issues among researchers and engineers in industrial, academic, and public sectors. More than 800 delegates are expected. The conference language will be English.

Focus topics for the 19th edition of the conference include:

- Fundamentals (theoretical and experimental)
- Bulk and epitaxial growth
- New materials grown on SiC (graphene, III-N compounds and diamond, ...)
- Material characterization
- Surfaces and interfaces
- Device fabrication processes
- Devices (power, RF, sensors, ...)
- Device physics (measurements, modelling, simulation and reliability)
- Packaging, modular and circuit technology
- Applications and reliability

ICSCRM 2022 is a dedicated opportunity to:

- **Promote** your services and/or products;
- **Distinguish** yourself from competitors by being involved in state-of-the-art research and innovation;
- **Learn from and contribute to** the latest in the field and
- **Prospect** for new clients and employees.

The ICSCRM 2022 organizing committee invites you to advertise at and sponsor this event.

Becoming a sponsor is possible by purchasing specific event/service sponsorship items or simply providing a lump sum.

Many sponsorship opportunities are available and some of them can be co-sponsored.

- Program booklet, abstract USB stick, conference bags and badge holder with lanyard will have the printed logo of the respective sponsoring company.

- The sponsors of the events (coffee breaks, lunches, welcome reception, ...) will have their logo displayed at the event sponsored. Moreover, each sponsor will be mentioned in the conference program and on the website.

Overall, ICSCRM 2022 is a unique opportunity to connect to the most experienced industrial and academic experts in the field of silicon carbide! Secure your spot now and do not miss out on this opportunity!

Organizing committee:

- Roland Rupp, Germany – Sponsoring and Exhibition Chair
- Ulrike Grossner (ETH Zurich), Switzerland – General Chair
- Gregor Pobegen (KAI GmbH), Austria – Technical Program Chair
- Juraj Marek (STUBA), Slovakia – Publications Chair

All prices are given VAT excluded. Please add Swiss VAT 8 %. The sponsors will have to provide a high-resolution logo to ICSCRM 2022 organizing committee.
